

Be an Employensure hygiene hero.

FOLLOW THESE SIMPLE STEPS TO SANITISE YOUR HANDS.

1

Rinse your hands under running water and use soap to form a foam.

2

Rub your hands together vigorously for 10-15 seconds.

3

Wash all areas of your hands, wrists, fingers, under your nails etc.

4

Rinse your hands well.

5

Dry your hands thoroughly with a hand dryer or paper towel.
